

JONATHAN MAYER  
JUSTIN QUINN  
NEIL CRAIG

# The Teak Project

The Teak Project came into existence after a handful of chance encounters between the three of us. It is above all a collaboration of disciplines and an opportunity to investigate new directions in our own playing and composition. It has been exciting for us to discover this music and experience the freedom that comes with the honest exploration of our own ideas away from the strictures of a specific genre or tradition.

**Jonathan Mayer** sitar  
**Justin Quinn** guitar  
**Neil Craig** tabla
